UAC staff: Shanette Parks, Brett Hanover, Wendy Young and Lauren Kennedy

I. Welcome

APPROVALS

- II. December 2020 minutes
Orrin moves, Close seconds. The minutes are unanimously approved with no changes.
- III. Wolf River Greenway Mural - Final Acceptance - Lester Merriweather
Kennedy reminds the committee that artist Anthony Lee has been finalizing the installation of the artwork - all painting and sealant is complete, but Lee has discovered a ripped vinyl panel. Kennedy poses paying the remainder of the project budget to the original artist and UAC handles the panel repair as a maintenance issue.
Final Acceptance pending Merriweather provides the digital artwork for UAC to handle reprinting, etc.
Close moves, Daigle seconds. Motion is unanimously approved.
- IV. Whitehaven Sculpture - Schematic Design - Lorenzo Scruggs
Young presents schematic documents for the “The W” as well as the mentorship documents for 2 highschool students from the Whitehaven community. Kennedy adds that the committee has already seen the schematic documents but more information has been provided regarding location at the Thomas-Davis YMCA, mentorship and sealant materials. Law notes that the budget does not specifically not sealant costs. Young speaks to the particular sealant that will be used, suggested by the committee in previous meetings. Young also shares that Scruggs designed the piece in panels to best serve for later maintenance.
Law moves, motion is seconded. Motion approved unanimously.

- V. Dunbar Elementary - 50% Fabrication - Desmond Lewis
Parks shares that the request for approval has been changed due to power lines that are currently prohibiting installation of the columns, at this time. Kennedy asks for a partial payment. Law motions to approve 60% payment. Tolson seconds. Motion is unanimously approved.

UPDATES
